So it's like Homestuck?

HOW FUCKING DARE U-- OK fine mr simplification if you want to put it like that yes it's like HOMestuck except not at all like Homestuck you get me?

If you like Homestuck you'll be familiar with the format of storytelling but if you don't like Homestuck CONGRATS the plot is nothing like it at all so I guarantee you'll fucking love it

**Alright so it's an interactive comic,  
what else?**

**IT'S GOT DREAMS AS A MAJOR SETTING  
AND PLOT FOCUS, MOTHERFUCKER  
THAT'S WHAT**

Also it's all DECOPUNK WOAHH THAT  
IS FUCKING AWESOME INNIT

So far most of the story takes  
place in this fucking awesome place  
called PHANTASMAGORIA which  
is basically a dream land, woah

JOURNEY... INTO  
THE MIND???

You follow Jasz as he  
learns about this crazy  
place

*Wait who is Jasz*

# OK so who's the main character

This is Jasz, a fucking cutie patoot air-mail pilot who doesn't know what the fuck is going on when he first starts getting into this shit, kind of like u reader **WOAH HOW CONVENIENT YOU WILL LEARN TOGETHER**

He starts off lookin' like this but he changes **WHY??? YOU'LL HAVE TO READ AND FIND OUT**

# OK what about this guy

That's Silver, he's a book keeper and a Phantasmagorian

He's a fuckin' bird and  
it's awesome

He likes books yo

He's also rly fancy,  
fucking high class shit  
right here

He totally is  
sometimes but  
it OK

# What about this adorable fucker?

---

THAT IS MATE'.

He's a lucid dreamer that Jasz  
eventually meets up with by chance

Full name Quille'n Amargo. He's perf.  
and adorable I like him a lot and he gets  
even cooler if you can believe that shit

# Wait Lucid dreamer, WTF are you talking about

Listen it's a dream world, there's three types of people that we know of: Phantasmagorians are the cuties with the animal features and they live in this world, like Jasz and Silver

Then there's dreamers which are just the normal people who go to sleep and... dream. There's lucid dreamers like Mate who generally know what the fuck is going on and can control their dreams

Then there are placid dreamers, like these guys to the left, that the Phantasmagorians have to keep an eye on because they kind of just wander about being asleep and dreaming and shit

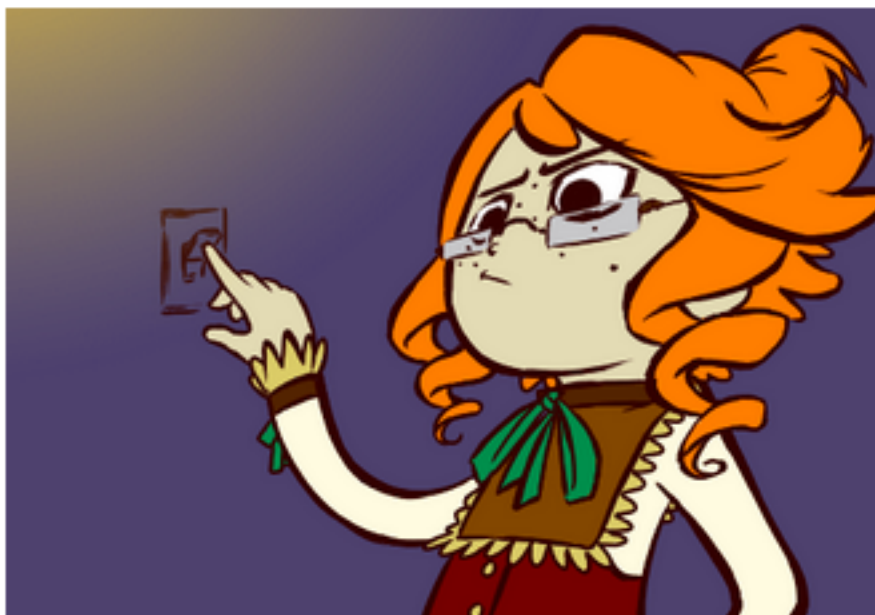

Woah so Phantasmagorians are like dream guides/guardians?

Shit yeah that's what I'm sayin'

# OK back to characters

This is Malicent

We don't  
know a  
WHOLE  
lot about  
her other  
than that  
she is  
Jasz's  
sister (??)  
but MAN  
DOES  
SHE  
DRESS  
NICE  
WOWZA
